Committee members present: Chair Sarah Moore, Emily Richey, Terry Belcher, Jacob Kersey, Caitlyn Sheets, Jason Belcher, Lindsey Romine and Brittany Farmer

The meeting was called to order by Sarah Moore.

Upcoming health and wellness activities were discussed and are as follows: Elementary track meet is May 9th. The Key club gathered 122 total units of blood from their two blood drives. A Natural Hearing specialist will be on campus May 17th, and Lindsey Barnes will be coming to the health classes on May 17th, to discuss mental health.

School lunch menus for the month of May were passed out and discussed. Committee members heard feedback from students on what items they preferred, crispositos, cheeseburgers, fries, chicken strips, and cheesy mashed potatoes were top on their list. The biggest complaint from the students was about the portion sizes (too little). The possibility of a “share it tray” was discussed, so that wastefulness could help to be improved.

The meeting was adjourned at 12:41pm.
