- Changes made in the cafeteria were discussed. We are using a new company – breakfast will be held in the cafeteria, and there will be “to go” options for seniors who only go half a day. Also, the lunch options will change daily, but there will always be a sub bar, and a pizza bar. We expect there to be a large uptick in those who are eating school lunches.
- Hygeine kits have been donated to the elementary school – this will help us provide deodorant, toothbrushes, and toothpaste, body wash, and hairbrushes to students in need.
