

Physics Class Information

2024-2025

Dr. Ellen Holloway

Grading:

Your grade is figured on a basis of total points possible. Grades will include, but are not limited to, tests, quizzes, labs, and homework assignments. Lab grades will include how well you abide by lab safety rules. With online learning, your grades in Teams and CK12 are only part of your overall grade which will be in TAC/HAC.

Notebooks: An organized notebook is a great asset to studying. Your notebook should be divided into the units that we will be studying as we go.

Class Procedures:

Beginning of Class:

1. Please enter class quietly, put your phone in the caddy, and sit in your assigned seat. Look at the objectives for the day on the board, and review the previous night's homework.
2. Class supplies: Be sure you have your pen or pencil, book, notebook, and other supplies needed with you before you sit down.
3. No food or drink is allowed in class, except for bottled water. Rest-room needs should be taken care of before you come to class.
4. You are tardy if you come into class after the tardy bell rings. For first period only, you must have an admit slip from the office. With minimal disruption, please hand it to me on your way to your seat.
5. You are responsible for making up work when you are absent from class for any reason. Please see me before or after school for assignments.

During Class:

6. Remain seated unless you have permission to get up.
7. Raise your hand to speak.
8. The temperature of the room is not a topic for discussion.
9. If you need to sharpen your pencil, please do it quietly.
10. Please keep paper or trash to be thrown away at your desk until the end of the class period.
11. Please wait to hole-punch paper until the end of the class period.

End of Class:

12. Please do not leave your belongings in the classroom. Objects left behind will be taken to the “lost and found” in the office.
13. Please remain in your seat. When the bell sounds, wait for me to dismiss the class.

Homework: Each homework assignment is worth 5 points. I check for the assignment at the beginning of the class period. **Minimal credit is given for late work.**
