

LCSD Virtual Attendance Policy K-12

K-8 TRVP (TRVP) All instruction will be synchronous, and students will be required to meet daily. However, a district may determine that the needs of a student with extenuating circumstances would be better met with asynchronous instruction. In these cases, attendance will be taken through the evidence of completed assignments. Monitoring of synchronous and asynchronous interaction will occur on a daily basis, but a waiver is needed for the manner in which attendance is calculated.

9-12 Virtual Arkansas In the online environment, students assume more responsibility for keeping up with the course requirements. It is critical that students access and interact with the online content on a daily basis and participate in the scheduled live interactive Zoom sessions. If a student is absent from a digital learning class, the student is responsible for making up the missed assignments. When students' put-off accessing the course content, they soon discover that they are behind and then may not be able to satisfy the course requirements to pass a class. There will be times when students have to miss class for locally scheduled activities. If Walnut Ridge High School has scheduled an event that will interfere with a Virtual Arkansas course, we will reinforce with the students the need to access the course content so they do not fall behind. Students absent from Virtual Arkansas classes are responsible for making up the missed assignments. Facilitators will not be responsible for reporting attendance to the Virtual Arkansas teacher, but they may need to provide this information to the appropriate individual at the Walnut Ridge High School. Teachers monitor student progress and if a student is not accessing the course content on a consistent basis, Walnut Ridge High School will be notified by the teacher
