

8.1—NONCERTIFIED PERSONNEL SALARY SCHEDULE

For the purposes of this policy, an employee must work two thirds (2/3) of the number of their regularly assigned annual work days to qualify for a step increase.

The superintendent has the authority, when recommending an applicant and his/her placement on the District's salary schedule to the Board for its approval, to consider the applicant's previous work experience with similar duties, responsibilities, and skill sets with those job duties and responsibilities the applicant would assume for the District.
